N.E. Washington Zone Plan Revision–Colville and Okanogan-Wenatchee National Forests

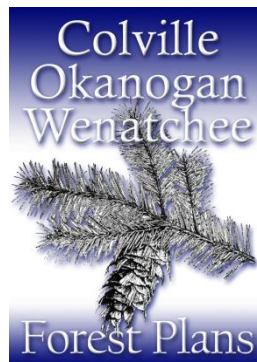

NEWZ Forest Plan Revision’s “Top 3- Summer Reading List”

We hope you have an opportunity to get out to the forest this summer. And if you enjoy learning about forests, and have an interest in exploring what’s new in ecological forestry, here are a few reading suggestions to catch up on while you relax around your campfire:

There are several new articles posted to the project [Reading Room](#) that discuss the updated science and management challenges that are being considering in the NEWZ planning effort that you may find of interest.

Suggested Summer Reading List:

- [Restoring Forest Resilience](#): From Reference Spatial Patterns to Silvicultural Prescriptions and Monitoring, Journal Ecology Management (2012)
- [Restoration Framework for Federal Forests in the PNW](#)- Journal of Forestry (2012)
- [Natural Disturbance and Stand Development Principles for Ecological Forestry](#) (2007)
